

INNOVATE MICHIGAN!

Thursday September 6, 2012
In East Lansing, Michigan

Join economic development practitioners, business leaders, finance providers, scholars, students, local and state government, and other community leaders for a full-day event featuring presentations on REI's 2012 innovative economic development tools, models, policies, practices, student technical assistance projects and Michigan inventions. Learn, discuss, influence and share new approaches to economic development in Michigan in 2013. The summit will take place from 8:30 a.m. to 4:30 p.m. on Thursday, September 6, 2012 at the MSU Kellogg Center, 219 South Harrison Road in East Lansing, MI 48824.

Registration begins at 8:00 am

Sessions Include:

- Microenterprise Development in Michigan
- Internship Programs for Distressed Communities
- Small Business Hands-On Broadband/Tech Training in Rural Communities
- Innovative Exporting Practices
- Young Entrepreneurialism Programming
- Open Educational Resources
- Innovation Brokering
- Building a Creative Services Incubator within a Community College
- Small-Scale Urban Developers and Landlords as Agents of Real Estate-Led Economic Development
